Q28_2. [ABOLISH ICE] Immigration enforcement is broken and inhumane. ICE is harassing and killing innocent people, separating families, and locking up children. We should abolish ICE and invest that money towards other priorities.	Much more likely to support	34%	44%

Q28_3. [FOCUS ON CRIMINALS] Most immigrants work, pay taxes, and contribute to our economy. We should not target people who are following the law, but should reform our immigration enforcement system to focus on people who have been convicted of serious crimes.	Much more likely to support	49%	57%

Q28_4. [SAFETY] ICE is making people less safe, spreading fear and stopping people from reporting crimes to the police. We need ICE to focus on what makes America safer: strong, secure borders, and working with community members to build trust in law enforcement to solve and prevent crimes. Q28_5. [CONSTITUTION] Americans are all worse off and less safe when ICE isn't following the Constitution. Every law enforcement agency, including ICE, should be required to read people their rights, get warrants to search homes and arrest people, and be held accountable when agents break the law. Q28_6. [PROFILING] ICE is painting citizens and non-citizens with a broad brush, arresting Americans just for speaking Spanish or having an accent. They should be required to have proof someone is a criminal or here illegally before they arrest or detain them.	Much more likely to support	51%	54%
