<b>Vax/Conspiracy</b>	RFK Jr. has a long history of anti-vaccine advocacy and touting far-right conspiracies. He has falsely claimed that Wi-Fi and vaccines cause autism, and has spread conspiracies that COVID-19 is, "ethnically targeted...to attack Caucasians and Black people," and that chemicals in water are making kids transgender.
<b>(Split) Russia</b>	Kennedy consistently touts Russian propaganda about the war in Ukraine, saying that Russian dictator, Vladimir Putin, has acted in, "good faith" as he commits war crimes.
<b>Abortion</b>	RFK Jr. supports a 15-week abortion ban, says that government has a, "claim" to unborn children, and says that he will re evaluate approval of abortion medication used in 60 percent of procedures. And his running mate has spent millions of dollars attacking in-vitro fertilization.
<b>(Split) Guns</b>	RFK Jr. has spread far-right misinformation that anti-depressants are the cause of mass shootings and that mass shootings have, "nothing to do with the number of guns," and he won't strengthen gun laws if elected president.
<b>Gaza</b>	RFK Jr. opposes a ceasefire between Israel and Gaza. He says that Israel is a, "moral nation", and that Palestinians are, "the most pampered people by international aid organizations."
<b>(Split) Brain Worms</b>	According to RFK Jr. himself, a parasite he likely caught in South America has eaten part of his brain. He has admitted to having, "cognitive problems," including both short and long-term memory loss and brain fog.
<b>(Split) Jan 6<sup>th</sup></b>	RFK Jr. is a danger to democracy. His campaign hired January 6th participants, while Kennedy himself has said, "there is little evidence of a true insurrection," and that he may pardon those convicted of crimes on January 6th if elected.
<b>(Split) MAGA</b>	The MAGA far-right has embraced RFK Jr. Billionaire Trump donors are funding Kennedy's campaign, and MAGA leaders have called for Trump to pick Kennedy as his Vice President. In return, RFK Jr. is defending Trump after his criminal conviction, calling it, "profoundly undemocratic."
<b>(Split) Climate</b>	RFK Jr. claims to be an environmental advocate, but he has said he will roll back the largest clean energy investment in world history, and he has spread conspiracies that climate action, "has been co-opted by Bill Gates" and intelligence agencies.

<b>(Split) Russia</b>	Jill Stein is a supporter of Russian dictator Vladimir Putin. Stein dined with Putin before the 2016 election, Russia helped promote her campaign, and she has parroted Russian propaganda and conspiracies ever since. She even claims that Russia's illegal invasion of Ukraine is a, "provoked response," to aggressive moves by the US.
<b>(Split) War</b>	Jill Stein claims to be an anti-war candidate, but she is a hypocrite who owns stock in weapons companies and has profited from war in Ukraine and Gaza.
<b>Abortion</b>	Jill Stein has never criticized Donald Trump or his MAGA Supreme Court picks for overturning Roe v. Wade. Instead, Stein attacks Biden in order to take votes away from him, while Trump brags about ending the constitutional right to abortion.
<b>Climate</b>	Jill Stein pretends to care about the environment, but she and her husband have millions of dollars invested in fossil fuel companies. She criticized the passage of the largest clean energy investment in history, while also profiting off of the Keystone XL pipeline.
<b>(Split) MAGA</b>	Jill Stein is backed by MAGA. Billionaire Trump supporters have given to Jill Stein's campaign in the past, and MAGA leaders say that aiding and boosting her is key to Trump winning re election.
<b>(Split) Spoiler</b>	Jill Stein is an aid to Donald Trump. Far-right MAGA leaders are applauding Jill Stein's presidential run, saying, "Go, Jill, go! ...We knew that she was a spoiler," in 2016. They've said if the Green Party was on the ballot in 2020, "Donald Trump would still be President."

<b>Abortion</b>	Trump has supported a national abortion ban, and he says he will roll back access to birth control, support state governments monitoring women's pregnancies, and undo a policy that protects women from criminal prosecution if they crossed state lines to get an abortion.
<b>Dictator</b>	Trump has said that he will be a dictator on day one, prosecute his political rivals, and pardon every rioter who attacked the Capitol on January 6th. And he will once again try to overturn future elections.
<b>(Split) Healthcare</b>	Trump has promised to repeal the Affordable Care Act and deny Americans with pre-existing conditions health insurance coverage, raising costs for basic health care needs.
<b>Immigration</b>	Trump is ready to mount a war on law abiding immigrant families. He has vowed to deploy the military to enact, "the largest domestic deportation operation" in history, to separate migrant families and deport children alone, to end the "Dreamer" program, and to roll back legal migration into the US.
<b>(Split) Gaza</b>	Trump has advocated for Israel to, "finish" the Palestinians in Gaza, has refused to call for any restraint in Israel's actions, and has refused to support efforts to get humanitarian aid to starving Palestinians.
<b>(Split) Foreign policy</b>	Trump has said he will bring back a Muslim ban, "even bigger than before," bar refugees from Gaza from coming to the U.S, and revoke the student visas of people he deems, "anti-American foreigners," at universities
<b>(Split) Supreme Court</b>	Trump handpicked three MAGA conservatives to the Supreme Court in his first term who overturned Roe v. Wade and blocked student loan forgiveness. If elected, Trump could appoint more ultra conservative Justices to the Supreme Court and solidify a MAGA majority for a generation.
<b>(Split) Economy</b>	Trump has promised to extend his \$2 trillion tax cuts for corporations and billionaires, to slash regulations, and to allow corporations to price gouge consumers.
<b>(Split) Housing</b>	Trump has promised to pass policies that will raise the cost of housing by thousands of dollars and roll back anti discriminatory housing policies, just like he did in his first term.
