

THE ANATOMY OF OBAMACARE (WHAT'S NOT TO LIKE?)

The Patient Protection and Affordable Care Act (aka "Obamacare" or ACA) has been widely discussed and debated, but remains widely misunderstood.

A March 2012 Kaiser Health poll shows that many core provisions of the law are viewed favorably by the public, except the individual mandate — a vital organ without which the plan cannot survive.

Affordable Care Act favorability and awareness data from Kaiser Health Tracking Poll, March 2012. Available at <http://www.kff.org/kaiserpolls/8285.cfm>. Individual mandate data from The Urban Institute, "The Individual Mandate in Perspective" by Linda J. Blumberg, Matthew Buettgens, Judy Feder; March 2012. Available at <http://www.urban.org/publications/412533.html>.
